# Save time, improve accuracy at every step in your shipping process.

Get online with Con-way e-Express.™

Con-way's e-Express makes LTL shipment management easier, while saving time, improving accuracy and reducing administrative cost. From pre-planning to invoicing, e-Express lets you perform virtually every shipping task right from your desktop. To enjoy full e-Express privileges simply register on [www.con-way.com/freight](http://www.con-way.com/freight).

**Con-way**  
FREIGHT  
**e-EXPRESS**

## 1 Pre-Pickup of Shipment

- **Create Log-in Page** that always displays your preferred shipping tool.
- **View and Print Transit-Time Maps** Receive transit times instantly.
- **Request Rate Quotes** - View your company's specific rates.
- **Find a Service Center** - View map, phone and fax numbers, email and location address for any Con-way service center.
- **Download Express Rate** Special software allows desktop rating at any time, without going online.
- **Calculate Shipment Density** A great help for rating offshore and Mexico shipments.
- **Review Offshore Shipping Instructions** - Important tips when shipping to Alaska, Hawaii or Puerto Rico.
- **Calculate Currency Exchange** Current conversion rates.
- **Check Fuel-Surcharge Level**

## 2 Shipment Pickup

- **Create an Electronic Bill of Lading (e-BOL)** Pre-populated fields save you time and ensure accuracy.
- **Request a Pickup** Anytime, day or night.

## 3 Shipment In Transit

- **View and Email Tracking Reports** Track by PRO, PO, BOL, or unique reference numbers. Track multiple PROs, too.
- **Automatically Receive Email Notification of Shipment Status** Tells you where your shipment is en route to its destination.
- **Automatically Receive Daily Inbound and Outbound Manifests** Via email or fax.

## 4 Shipment Delivery

- **View Proof-of-Delivery** See who signed the Delivery Receipt, and when. No need to keep paper file copies.
- **Automatically Receive an Email Confirming Delivery**

## 5 Post-Delivery of Shipment

- **Receive an Electronic Invoice** - Invoice is delivered in PDF format via email to your desk. Embedded links within the PDF allow you to view the BOL, Delivery Receipt and other shipment attachments.
- **Obtain a Freight Bill Copy** - Anytime, day or night.
- **View and Email Custom Shipment Reports and Detailed Manifests** Helps you manage information quickly and accurately.
- **View On-time Performance Reports** - Monitor Con-way's performance by viewing the total number of shipments delivered in a day, week or year-to-date.
 

- 13-month summary of all outbound and inbound shipments	- Activity, by name, of most frequently shipped-to customers	- Activity, by name, of most frequent inbound shipments

## Improve shipping management and productivity with e-Express.

e-Express virtually eliminates the need for shipment-related phone calls, faxes, filing and paperwork. You save time, improve data accuracy and increase employee productivity.

**A competitive advantage for your business.** Just as important, e-Express makes information available instantly for sharing throughout your organization. And that pays off big, both in real dollars and improved customer service.

**Added cost to you? Zero!** Con-way provides e-Express - an important value-added service for your business - at absolutely no cost.

**Fast, online registration.** Unlock a host of advanced e-Express shipment-management tools in less than three minutes. Online registration allows immediate access to electronic pickup requests, e-BOLs and delivery receipts that very same day. All other electronic shipment-management tools are typically available within **24** hours of registration.

**Not a registered website user?** Go to [www.con-way.com/freight](http://www.con-way.com/freight) and click on the registration button located at the top of the screen.

**Manage all your shipments right from your desktop.** Ask your Con-way representative to demonstrate the time- and cost-saving power of e-Express. Or, tap the power of e-business at [www.con-way.com/freight](http://www.con-way.com/freight).
