

Take a load off your mind.

For nearly 25 years, Con-way customers have come to expect innovative, cost-competitive shipping solutions – and a level of reliability few other carriers can match. For customers with complicated heavy-haul and over-dimensional shipments, Con-way Truckload Services provides that same legendary service – giving you the assurance you need that your freight will arrive safely, within budget and on time.

Proven skill. Proven reliability. No matter how big your challenge.

Moving big freight is a big responsibility — and determining which carrier to trust is critical. Choosing Con-way Truckload Services brings big benefits:

- Experience — our deep industry knowledge allows us to address all your needs, providing the smoothest, most efficient move possible
- Flexibility — the right tools for the right job with double drops, multi-axles, flatbeds, removable goosenecks, extendables, or any equipment combination you need
- Capacity — get the capacity you need to move anything, anywhere, at any time, through our unsurpassed network of qualified carriers
- Government Approved — Con-way Truckload Services (SCAC: CWBG) is a provider for several government agencies including GSA, DOD, VA, FEMA, and Unicor
- Competitive Pricing — manage your budget while shipping confidently with an industry leader

Call us today with your most complex shipping challenges.
