# Direct Service from the Largest Single LTL Service Center Network in North America

## More Direct Delivery Points Mean Shorter Transit Times

In a business world that puts a premium on speed, cost effectiveness and reliability, Con-way is a strong ally in the race to market.

Direct, seamless service. That's what Con-way customers receive from more than 460 Con-way service centers, linked by a single computer system, that helps move freight smoothly between regions.

Con-way Freight provides day-definite shipping services throughout the continental U.S. and ten Canadian provinces, as well as Hawaii, Alaska, Puerto Rico and Mexico.
