

Right Solution. Right Price. Right Now.

TRUCKLOAD | INTERMODAL | FLATBED | REFRIGERATED | HEAVYHAUL | LTL | EXPEDITE | AIR | OCEAN | U.S. | INTERNATIONAL

Thousands of companies, along with the government agencies GSA, DOD, VA, FEMA and UNICOR, trust in the stability, culture and results Con-way Multimodal delivers.

Con-way Multimodal provides the solutions you need at the price you're looking for.

- Achieve better control over your shipments through our unsurpassed network of qualified carriers
- Choose from dry vans, intermodal containers or trailers, flatbeds, refrigerated or any other transportation solution you need
- Unique features to benefit your unique shipping needs

You can trust Con-way Multimodal to deliver your next shipment:

- **Experience:** deep industry knowledge addresses all your needs, providing the smoothest, most efficient move possible
- **Reliability:** operational excellence ensures reliable movement of freight for the consistent on-time performance you need
- **Flexibility:** the right tools for the job — vans, refrigerated trucking, double drops, multi-axles, flatbeds, removable goosenecks, extendables, or any equipment combination
- **Capacity:** get the capacity you need to move anything, anywhere, at any time through our North American network of over 15,000 carriers
- **Competitive pricing:** control costs for increased efficiency from an industry leader
