YOU NEED TO SUCCEED.

Con-way
FREIGHT

Con-way Freight delivers cross-border excellence.

When shipping to and from Canada, you can depend on the same reliable performance, seasoned professionals and service excellence you've come to expect from Con-way Freight:

- 9 different crossing points at the U.S.-Canadian border
- Faster transit times from North America's largest single network
- Streamlined customs processes and confidence from working with your own customs broker
- Seamless delivery to your end destination on either side of the border
- More efficient border crossing because we hold CSA, PIP and C-TPAT certifications

In addition to comprehensive coverage, Con-way Freight-Canada delivers the same personal service and reliability customers have come to expect from the industry leader. Customers who ship to and from Canada with Con-way Freight enjoy:

- **RESPONSIVENESS** — best-in-class professionals offer personal, local service that gives customers quick answers and problem resolution — at the border and beyond
- **EXPERIENCE** — Con-way Freight's established track record of more than 15 years in Canada helps customers tackle any challenge
- **VISIBILITY** — state-of-the-art technologies provide customers with complete visibility of their shipments for peace of mind
- **EFFICIENCY** — 95% of all Con-way Freight shipments clear customs at the border because of our proactive processing of documents, saving customers time and money
- **EXPERTISE** — all Con-way Freight-Canada employees are trained in customs requirements, enabling customer shipments to move through the border quickly
- **GUARANTEED - G!** — guaranteed service to and from Canada — it's on time — or it's on us*

Online tools for better cross-border visibility.

Con-way Freight offers customers innovative online tools that improve customer access and satisfaction. You can use them to streamline your process and improve workflow — giving you greater visibility for peace of mind and status information. Our full suite of online tools includes many time-saving functions, including:

- Electronic pickup requests and electronic bills of lading (eBOLs)
- On-time performance reports, e-mail notification of shipment delivery, and shipping manifests
- On-demand copies of freight bills and electronic invoices

Registered users get the added benefit of pre-populated pickup request forms, enhanced tracking and electronic invoicing, enabling you to work even faster. To register, visit www.con-way.com/freight/register.

So when you're looking for reliable performance, faster transit times and service excellence, choose Con-way Freight. Our experience in Canada, professional, personal service and customs expertise provide you with seamless shipping north and south of the border.

Book your next successful shipment today — it's easy. Just visit our website to find the service center nearest you at www.con-way.com/freight/servicecenterlocator.
