## Get the confidence you need when shipping LTL/LCL around the world.

Con-way Freight's Global LTL™ service provides the solutions you need when shipping to and from Canada, Mexico, Asia, Europe, and the Caribbean. With Global LTL, you'll experience:

- Predictable day-definite delivery
- Simple, single-source pricing and billing
- Full visibility and tracking of your shipment

Our optimized global LTL network delivers damage-free delivery, on-time service performance and faster transit times giving you the advantage you need in today's competitive market.

### CANADA

With 9 border crossing points and transit times which are up to 25% faster than major competitors, we give you the confidence you need when shipping cross border:

- Streamlined customs processes and confidence from working with your own customs broker
- Electronic filing and cross-border certification
- Seamless delivery to your destination
- Over 30 years of LTL experience and over 20 years of cross-border shipping experience

### MEXICO

With average transit times 25% faster than the competition, Con-way Freight delivers seamless LTL service to and from Mexico, whether you're shipping door-to-door or to and from the border. With Con-way Freight, you get:

- Faster transit times, up to 65% faster in Mexico
- Seamless tracking on door-to-door shipments
- The best value in the LTL industry

Let us help you today! Call 800-342-7618 or email [CustomsResourceCenter@con-way.com](mailto:CustomsResourceCenter@con-way.com).

### ASIA

OceanGuaranteed®, innovated by Con-way Freight and APL Logistics, provides day-definite delivery to the U.S. from 13 Asian ports.

- Faster transit times—up to 30% faster than standard ocean/intermodal moves
- Cost advantage—up to 75% less expensive than airfreight
- Guaranteed space—even during peak season
- Seamless service—single phone number, single invoice and a single, kilo-based, port-to-door price
- Day-definite delivery
- Greener alternative—95% reduction in carbon emissions when compared to airfreight

Discover a better way to move LCL/LTL freight from the Asia/Pacific region throughout the U.S., Canada and Mexico. Call 866-896-2005 and select option #4, followed by #1, or visit [www.oceanguaranteed.com](http://www.oceanguaranteed.com)

### CARIBBEAN

We provide shippers a single-source solution for island-bound freight to more than 30 Bahamian and Caribbean ports.

From continental U.S. and Canadian origins to the ports of Tampa and Port Everglades in Florida, you'll experience:

- Complete end-to-end online shipment tracking
- Full documentation support
- One call, one point of contact, and one invoice

For through shipments, call Tropical Shipping® toll-free at 800-874-3848, or visit [www.tropical.com](http://www.tropical.com). They will assist you with all of the paperwork and documentation associated with Caribbean LCL and Caribbean LTL shipping.

If your terms of trade are FOB port of origin for delivery to Tropical Shipping®, call your local Con-way Freight Service Center.

### EUROPE

Con-way Freight's alliance with TNT, one of the most respected and successful global express service providers in the world, provides a seamless solution for day-definite, heavy international shipments throughout the continental U.S. and Europe. With this service, you'll benefit from:

- Guaranteed, unlimited capacity where cargo is pre-scheduled and pre-booked
- Competitive transit times of 3–6 days
- Consistent pricing throughout the year
- Full track and trace capability
- Transparent pricing—no hidden charges
- Convenience—we handle all the paperwork, from customs to border regulations

For more information, or to schedule your shipment, call TNT customer service at 800-677-4444.
