

Before OceanGuaranteed®, there wasn't a shipping option which combined cost and speed perfectly.

Six years ago, APL Logistics and Con-way Freight created the only day-definite solution for less: OceanGuaranteed. This innovative service costs 70% less than airfreight and is 30% faster port-to-door than standard ocean/intermodal moves. With 11 ports in Asia to anywhere in North America, we offer the predictability and reliability you need to keep your supply chain moving. And, thanks to expedited practices like hot stowing, we lead the industry with 99% on-time performance. When you need an LCL/LTL solution, choose the industry leader: OceanGuaranteed.
