OceanGuaranteed's innovative service offers:

• Reliability — day-definite delivery allows for more reliable inventory, production and sales planning

• Ease of use — an efficient, integrated solution with a single phone number, single invoice and a single, kilo-based, port-to-door price

• The biggest combined network — more points of origin in Asia and destinations in North America with no constraints on shipment volume

• Guaranteed space and equipment — shipments are among the last loaded on the vessel and the first unloaded once they reach North America

• Faster transit times — 99% on-time performance supported by a money-back guarantee: we offer a 20% refund if your shipment arrives late*

• Cost advantage — up to 75% less expensive than airfreight

• Greener alternative — 95% reduction in carbon emissions when compared to airfreight

Developed in 2005, OceanGuaranteed was the first and only guaranteed LCL/LTL shipping solution from Asia to all points in North America. The combined expertise of two industry leaders, Con-way Freight and APL Logistics, gives customers a competitive advantage over the competition.

APL Logistics provides international, end-to-end logistics for global customers employing the latest IT and data connectivity for maximum supply-chain visibility and control. APL Logistics is a unit of Neptune Orient Lines (NOL) and sister company to APL, a global provider of container transportation services. SAVINGS YOU CAN USE. PERFORMANCE YOU CAN TRUST.

SHIP FROM 14 PORTS IN ASIA TO THE U.S., CANADA AND MEXICO WITH OCEANGUARANTEED®.

Now you can guarantee day-definite delivery of your shipments from Asia with greater reliability, fewer hand-offs and proven on-time performance. By combining the industry-leading resources and expertise of APL Logistics and Con-way Freight, OceanGuaranteed offers a unique and efficient single-source LCL/LTL solution.
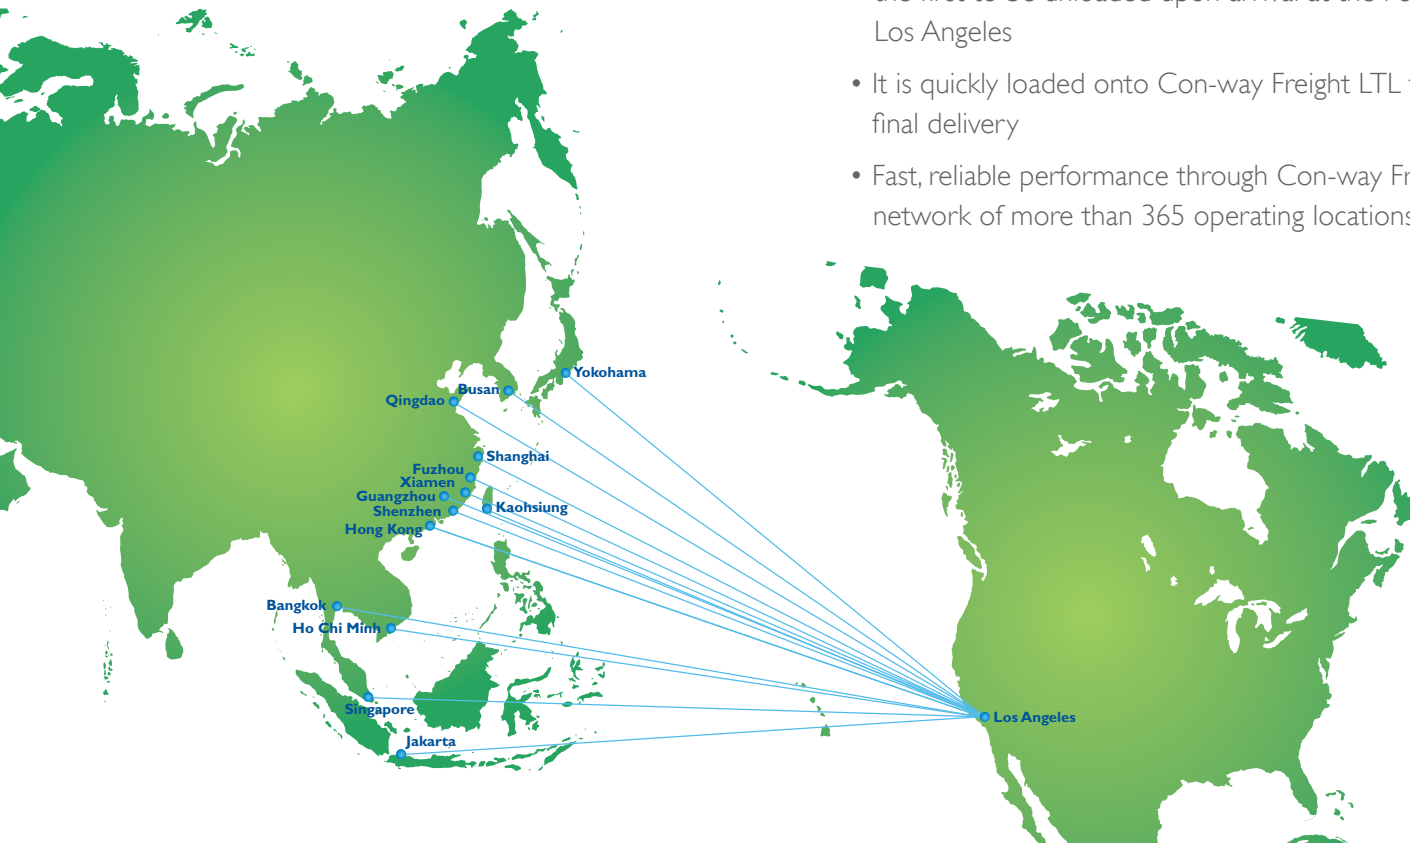

EFFICIENT, DAY-DEFINITE AND GUARANTEED DELIVERY

With the supply chain expertise of APL Logistics in Asia and the faster North American transit times of Con-way Freight, only OceanGuaranteed can boast faster transit times than standard ocean/intermodal and a 99% on-time delivery rate. Rest assured your shipment is in good hands.

OceanGuaranteed gets your goods to market seamlessly, providing expedited services and the convenience of one call, one transit time and one invoice. When you ship OceanGuaranteed, your shipment gets top priority, ensuring day-definite delivery:

• LCL cargo in Asia is given priority at the port

• The cargo is then hot-stowed on APL ships, so it's among the first to be unloaded upon arrival at the Port of Los Angeles

• It is quickly loaded onto Con-way Freight LTL trucks for final delivery

• Fast, reliable performance through Con-way Freight's single network of more than 365 operating locations

CONVENIENCE, CAPACITY AND CHOICE

Simple port-to-door zone pricing on a single invoice is just the beginning. With OceanGuaranteed, one call gives you dedicated customer service, access to faster LCL/LTL shipping, unlimited capacity even during peak season and complete visibility with tracking from Asia to final delivery.

OceanGuaranteed operates in eight countries, giving you the option to originate shipments from APL Logistics' dedicated network and facilities in 14 key Asian ports. Locations include:

• China — Fuzhou, Guangzhou, Hong Kong, Qingdao, Shanghai, Shenzhen and Xiamen

• Indonesia — Jakarta

• Japan — Yokohama

• Singapore

• South Korea — Busan

• Taiwan — Kaohsiung

• Thailand — Bangkok

• Vietnam — Ho Chi Minh

GUARANTEED PERFORMANCE YOU CAN COUNT ON

OceanGuaranteed's simple, per-kilo pricing structure is designed to parallel airfreight, making it easy to compare costs and plan your supply chain. And with an average savings of up to 75% over traditional airfreight, only OceanGuaranteed can provide day-definite delivery which is also cost-effective.

Furthermore, our commitment to on-time delivery is supported by an industry-leading money-back guarantee. If your shipment doesn't arrive on the scheduled day we'll pay 20% of the final invoice.*
