

Amsterdam Logistics Center

Warehouse Management

Transportation Management

Customs Services

Value Added Services

Value Proposition:

Operational excellence
Lean philosophy
Strong company culture
Customer focused
Start-up methodology
Process driven
Global presence

This multi-client center is located in the Schiphol-Rijk Industrial Park, part of the Amsterdam Airport Schiphol's distribution area. The proximity of this bonded facility to the Airport is ideal as it allows very fast retrieval and turn-around time of cargo. It also provides easy access to three major highways.

The high-security site features CCTV, access control and a security cage for high value goods. The facility can function both as a regional and Pan-European Distribution Center.

Features:

- Multi-client facility servicing customers in the high-tech industry
- TAPA A certified
- Lean Silver certified
- 5.500 m²
- 10.5 M clear ceiling height
- 8 dock doors and 1 overhead door
- ESD area
- ESFR fire sprinkler system
- ISO 9001 certified
