

Sohren Logistics Center

Customs Services

Warehouse Management

Transportation Management

Value Added Services

Value Proposition:

- Operational excellence
- Lean philosophy
- Strong company culture
- Customer focused
- Start-up methodology
- Process driven
- Global presence

This multi-client center is located in the Felke Industrial Park at Sohren, near the Frankfurt- Hahn Airport. Therefore it is conveniently located near major European airports and easy access to the European highway system. The facility can function as a regional or a pan-European distribution center at competitive cost and, if required, can be expanded modularly. The site security features consist of access control and an intruder alarm.

Features:

- Multi-client facility servicing customers in the automotive industry
- 7000 m2
- 6 M clear ceiling height
- 5 dock doors
- ESD area
- Fire sprinkler system
- ISO 9001 certified

SAFETY **INTEGRITY** **EXCELLENCE**
LEADERSHIP **COMMITMENT**
