

FACT:

Millions of gallons of ice cream reach grateful customers each summer, thanks to our dedicated agents and network of carriers.

REFRIGERATED

- We utilize the industry's latest fuel-efficient, SmartWay®-certified refrigerated trucking equipment to protect your temperature-sensitive goods.
- Our experienced TIA-certified temperature control service teams will find the right drivers with necessary equipment for loads requiring temperature control.
- Available both over-the-road and intermodal, our capability ensures your goods get to market safely and intact anywhere in the U.S., Canada and Mexico.

Our service options:

- INTERSTATE
- DEDICATED
- REGIONAL AND LONG HAUL
- REDUNDANT CONTAINERS
