

SafeStack™. Only from Con-way Freight. We just gave your freight a complimentary travel upgrade.

With SafeStack, your shipments receive first class treatment all the way. It begins when our SafeStack experts carefully load your freight using the reinforced, heavy-duty decking system permanently installed inside our trailers. Because at every turn, our SafeStack system secures and protects your freight while allowing us to get your shipment to its final destination faster and with less handling. It's just another example of how Con-way Freight works to give you damage-free, on-time and fast delivery service.
