CTL FUEL DIRECTORY

The following pages contain the names, locations, and telephone numbers of fuel stops authorized for use by company-owned equipment.

These are the only stops to be used.

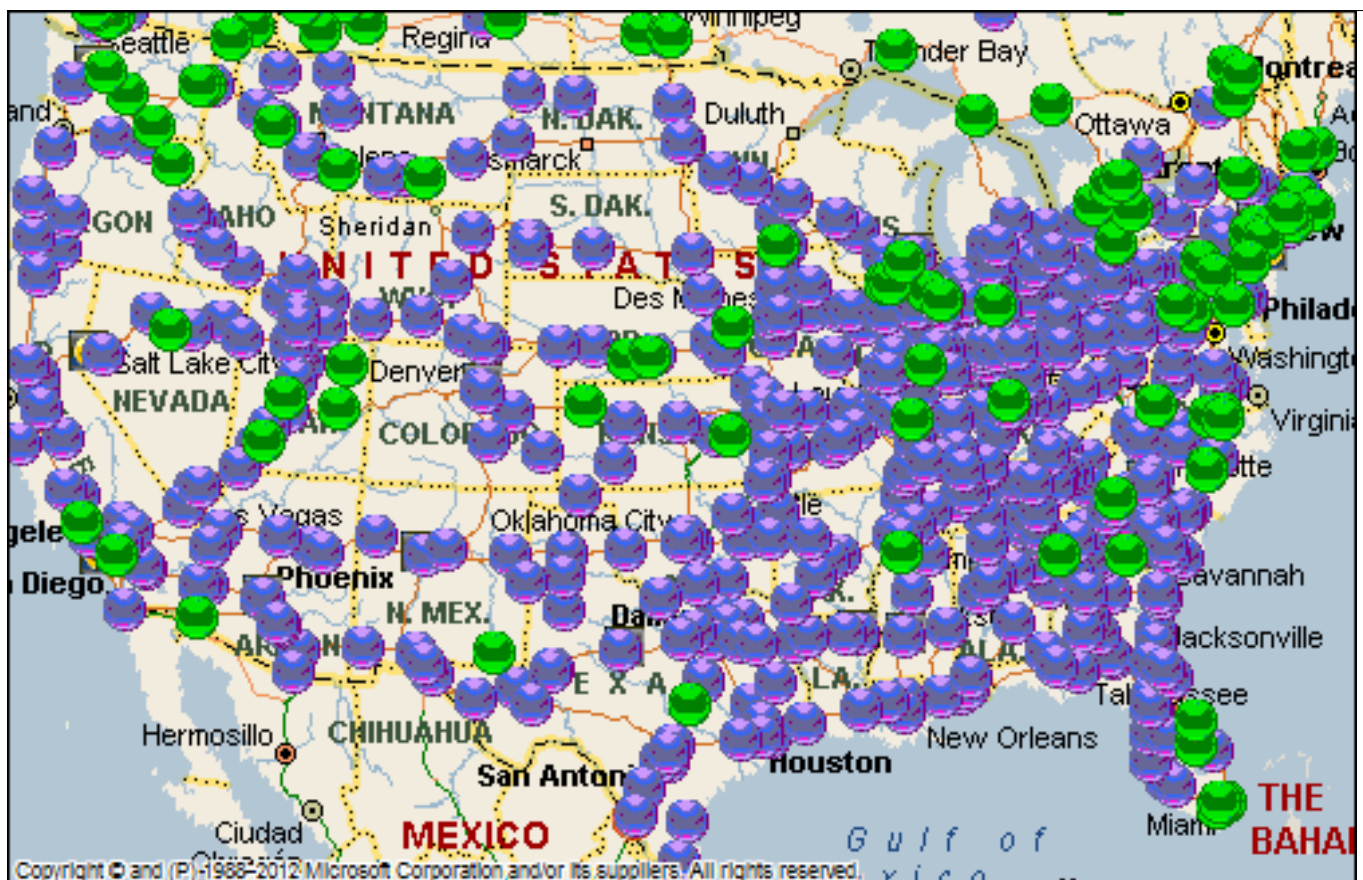

Plan your trip, know where the next fuel stop is.

Do not pass an authorized stop without having enough fuel to safely make it to the next approved location.

DEF = Diesel Exhaust Fluid (*Our bulk **DEF** locations*)

CNF _____ * = Con-way Freight Terminal has restricted hours. Refer to your load instructions or contact your dispatcher for details.

☒ = A truck stop that has Transflo Express Scanning behind the counter.
