

DOUBLESTACK™ TRAILERS

DOUBLE FREIGHT CAPACITY WHILE SAVING MONEY

Con-way Truckload's DoubleStack trailers are the simple solution for maximizing trailer utilization, providing up to 100 percent more cargo space than traditional dry van trailers through innovative design. DoubleStack trailers are manufactured to the highest standards of performance that you've come to expect from a Con-way company. Go to www.con-way.com/DoubleStack, for more information.

LET DOUBLESTACK™ TRAILERS WORK FOR YOU BY:

- **Maximizing trailer space** by creating a second level for additional cargo within a traditional dry van trailer
- **Customizing interior deck heights** to accommodate different sized pallets, **reducing number of shipments and saving money** by using trailer space more efficiently
- Further **reducing damages** by packing freight more tightly and through our fleet of 100 percent air-ride-equipped tractors and trailers
- **Simplifying loading and unloading** through uniquely engineered deck beams that eliminate the need for bulky plywood
- **Reducing carbon footprint** through shipment consolidation and reduced plywood consumption
- **Flexibly** converting back to a traditional dry van trailer
- **Providing ease of use** since decking system accommodates forklift loading

Con-way Truckload is North America's truckload leader. The company was founded in 1951 as CFI with one tractor and two trailers. Today, we operate over 2,600 tractors and more than 8,000 trailers and serve customers throughout the continent. Con-way Truckload is built on the four values of safety, integrity, commitment and excellence — values we bring to our customers every day. Our strong commitment to environmental stewardship and green initiatives is reflected in our membership in the EPA SmartWay™ program. Through this program, Con-way Truckload has received multiple SmartWay Excellence Awards.
